

## **Parent and Family Engagement Plan Reeltown Elementary School 2022-2023**

Reeltown Elementary School, with Title I being an integral part of our Pre-K-6 school, encourages parental and family engagement. We strive to promote positive communication between school and our students' homes. Parents and families are considered vital to the strategic planning process and to its successful implementation. Reeltown Elementary realizes that parents and families are the child's first important teachers and that continuous engagement for parents and families is essential for the success of the child.

### **HOW CAN FAMILIES BE INVOLVED IN DECISION MAKING?**

It is our goal to provide a culture where parents feel as though they are able to express their views and to assist us with problem solving. Parents and families are invited each year to review the system Title I Plan and are encouraged to make recommendations and address concerns regarding the plan. Parents and families are included in the planning process at each school when developing the annual school improvement plan. Reeltown Elementary School conducts a survey at the end of the school year to determine the needs of the parents and families. Based upon the results of that survey, we develop a plan and determine ways in which we can provide more assistance to our students and their families.

### **HOW IS THE PARENT AND FAMILY ENGAGEMENT PLAN FUNDED?**

The Tallapoosa County Board of Education provides a portion of its Title I, Part A allocation for parent and family engagement. Reeltown Elementary uses these funds to create opportunities for families to come into our school for events such as Family Curriculum Nights.

### **HOW DOES THE PARENT AND FAMILY ENGAGEMENT PLAN REMAIN COMPLIANT?**

Reeltown Elementary School has developed a parental and family engagement policy that follows the guidelines and meets the requirements of the Every Student Succeeds Act (ESSA). The policy states that the school system will collaborate with parents and families to meet ESSA guidelines which in turn gives parents and families the opportunity to participate in their children's education.
